

**Pet Approval Addendum**

I \_\_\_\_\_ (print) acknowledge that pets are not allowed on the premises without prior consent from the Landlord. I also acknowledge that all tenants residing in the residence must agree to have a pet in order for management to allow the pet to remain in the unit.

In the case of a re-let or lease termination, Resident is ultimately responsible for finding a replacement that agrees to these terms.

By signing below, you acknowledge and agree to the terms above.

\_\_\_\_\_ (Tenant Signature)

By signing this agreement, I as the roommate for the abovementioned, agree to allow a pet(s) to live in the unit that we are assigned.
